## Business Mentoring Programme

Our Business Mentoring Programme provides 12 months of confidential one-on-one advice for owners of small and medium-sized businesses who want to grow or need help to solve specific business challenges.

Mentors with experience and empathy for small business offer guidance, act as a sounding board, challenge your thinking and provide you with an independent and fresh perspective.

### Who is the Business Mentoring Programme for?

This programme is designed for owners of small to medium-sized businesses that are currently trading who:

- Want a fresh perspective, guidance or inspiration
- Want help to grow their business
- Want help to implement a change to their business
- Want support or advice to deal with a particular business challenge
- Want a sounding board to help challenge their thinking, set new goals and achieve success

### Who are the mentors and what do they do?

Nearly 2,000 volunteer mentors come from a wide range of industry backgrounds to pass on years of invaluable knowledge, skills and experience to help to grow businesses just like yours.

Mentors volunteer their time to work alongside a client for up to 12 months, participating in a mentoring relationship that both parties commit to.

## How do you get access to good business advice?

A business mentor who has faced opportunities or challenges just like yours will share their knowledge, skills and experience.

- Register online at [businessmentors.org.nz](http://businessmentors.org.nz)
- Complete online application
- Pay our one-off registration fee
- Our agent will contact you to arrange your mentor match

**“Getting a mentor is the best business decision we’ve ever made.”**
